

Hi Fringe Festers,

If you would like to have posters printed and distributed around the great city of Calgary for your upcoming festival Be Seen Street has you covered.

We both print and distribute posters. Our Street Team goes out every day to 17th Ave, Kensington and Inglewood.

If you would like us to print your posters for you, we prefer print files to be either PDF or JPEG. If the file is too large to email, we recommend using www.wetransfer.com

Print files can be emailed to: beseenstreetteam@gmail.com

If you already have your posters printed and would like for us to distribute them, you can drop them off at our office anytime from Monday through Friday from 10am until 6pm.

Be Seen Street Team
117 - 17th Avenue SE

Rates for our services:

100 Full Colour Street Posters Printed + Distribution = \$90.00

100 Posters Distributed = \$45

Generally 100 posters will get you approximately 10 – 14 days of coverage depending on how many other events are happening around that time.

We can also print hand bills. Single sided 4x6 full colour are \$0.14 each. Double sided are \$0.25.

If you have any other questions, please don't hesitate to email us. Thanks!
