Artist Welcome Package...

On the day of your Tech Rehearsal, your venue technician will be giving you your Artist Welcome Package. In the package will be your Fringe Artist Button, a one page document outlining key summary points from our Artist Bulletins, and our Fringe Festival contact info sheet.

Artist Greenroom Lounge...

The Artist/Volunteer Lounge will be located at **Lantern Church Fellowship Hall (Basement)**. The address is 1401 - 10 Ave SE. There is a side entrance along 14th Street marked by a grey door. Down the flight of stairs and to the left will be a large hall with a kitchen that has been designated for our use.

If you have your own laptop computer, there is wireless internet available ... sweet! The server name will be 'Lantern Church' and the password is 'th3lant3rn' (th3lant3rn ... no spaces ... and with all the e's as 3's). You'll be able to relax, munch on a sandwich, and visit with your fellow Fringe artists in relative peace and quiet. Lantern Church Fellowship Hall (Basement) Fringe Artist Greenroom Lounge will be available starting Fri July 29 through to Sat August 6, from 1 pm until 1 am (*end times subject to change*).

The Lantern Church is being kind enough to let us use its space for free and more besides...so we want to be respectful: treat these spaces like it's your own home.

Please help us in keeping the Lantern Church Fellowship Hall (Basement) Artist Greenroom Lounge clean, and please avoid storing any items in the Artist Greenroom Lounge. Any items left in the Artist Greenroom Lounge overnight will be disposed of. We are not responsible for items left in the Artist Greenroom Lounge.

More Food Please!

Looking for a little more variety to suit your culinary taste buds? You're in luck!! Here are some special places for you to go:

WilderNest Dream Cafe at 1309 - 9 Ave SE. Official Cafe of the Calgary Fringe. The owners, Deano and Kathleen, are VERY enthusiastic about having you all here and will be prepping some special food for us (like...breakfast specials, lunch specials...they know all about starving artists so they're gonna feed you good at great prices)! Along with our Box Office Central Control backroom, there is also a deck area that will be dedicated for Fringe use.

The backroom and back deck area can be accessed by using the main front entrance and walking through the café to the back. You are allowed to bring food and drink to the back deck area. If you purchase something out front (in the main café), you need to order it out front, then bring it to the back deck area with you...just make sure you bring your dirty dishes 'n' such back to the front as the Café waiters/waitresses will not be cleaning up after us!

This is a non smoking building. If you feel the nicotine urge, Deano said he will set up a 'smoking can' for us in the back alley behind their café. Any alcoholic bevies are to be consumed within the café boundaries, which includes the outdoor patio but NOT the back alley!

Salt n' Pepper Mexicano at 1413 – 9 Avenue SE: fine casual International cuisine. Open for lunch and dinner daily with brunch from 10 am to 2 pm on the weekends. Club Paradiso, one of our Venue Boutiques, is just above!
